PROFESSIONAL SUMMARY

A highly motivated and detail-oriented B.Tech student specializing in Information Technology Engineering with a strong foundation in programming, problem-solving, and software development. Passionate about technology and eager to apply academic knowledge to real-world challenges. Skilled in java, web development, and database management with hands-on experience through internships and personal projects. A quick learner, collaborative team player, and always curious to explore new tools and technologies. Actively seeking opportunities to contribute to innovative projects and grow as a tech professional.

EDUCATION

Bachelor of Technology (B.Tech)	[2022 – 2026]
Information Technology Engineering	
Deen Dayal Upadhyaya Gorakhpur University	
Class XII – Inter Collage, Jaura bazar kushiagar	[Jun-2022]
Percentage: 70%	
Class X – Inter Collage, bhaluhi kushinagar	[Jun-2020]
Percentage: 77%	

TECHNICAL SKILLS

Programming Languages: Python, Java, JavaScript, Html, Css,
Web Development: HTML, CSS, JavaScript, React.js
Databases: MySQL, MongoDB
Tools & Platforms: GitHub, VS Code
Operating Systems: Windows, Linux

INTERNSHIPS / PROJECTS

Big Data Intern	
Samsung Innovation Campus	[June 2024 – Aug 2024]
Designed and developed a responsive Movie Recommendation System using Apache Hadoop	
Improved page load time by 30% through optimized assets and code splitting	
Collaborated with a team of 3 developers using GitHub and Agile methodology	

Project: Crowd Analysis System

Tech Stack: Python
Libraries/Frameworks: OpenCV, NumPy
Camera: USB camera / IP camera

- Continuously captures frames from the live feed.
- Uses computer vision models to detect humans.
- Runs detection and sends alerts/data via LAN to connected clients.
- Connects to the server, receives updates/alerts, and displays the detection status or stream.

Project: Portfolio Website

Tech Stack: HTML, CSS, JavaScript

Built a personal portfolio site to showcase projects, hosted on GitHub Pages

Included contact form with validation and smooth scrolling UI
